HAITI HAITI EARTHQUAKE, Grand Sud - Operational Presence Map of partners

As of 24 September 2021

This information product shows the operational presence of humanitarian and development partners in the three departments hardest hit by the earthquake. The Operational Presence Map gives an indication of the partners that are present at departmental and communal level. This table does not represent all organizations working in the country and invites partners interested to share their info to contact through the address hil_eq_2021@humanitarianresponse.info
